KINGDOM OF HAWAII

Nou Ke Akua Ke Aupuni O Hawai'i

August 21, 2019

Ho'omaika'i e ka lāhui,

My heart is not my own, neither are my voice or my thoughts. In me, I carry the dark tumultuous pains of our Iwi Kupunas, who saw the Kingdom erode; helpless to save it. I see my cousin, HM Queen Lili'uokalani, sitting on her rocker with sadness, lamenting about her lost kingdom. She wondered what would become of Hawai'i, now lost to her and leaving only memories. In her heart, she prayed for the Kingdom to be reinstated, but she also prayed, that if it wasn't to be with her, that someday, the true heir would step forward and restore the Rightful Government of the Kingdom of Hawai'i. Nou Ke Akua Ke Aupuni O Hawai'i.

Me ke kaumaha kaumaha hiki ia'u ke 'ike i ko'u mau hoahānau o uka a me nā ikaika. – With deep sadness, I feel my cousin's strength, but also her great pain. I also feel the pains and sufferings of our ancestors, who battled tears and unimaginable fears. They struggled mightily with how to live in (and accept) a new culture, which was completely foreign to their own.

The Colonizers and religious zealots controlled and destroyed our language, our culture and our traditions, imprinting upon our People's minds that their way of life was best for us. Their forced teachings corrupted and destroyed any notion of restoring our Kingdom (or so they thought).

We are not dissimilar to our Native American brothers and sisters. They too, suffered indignation and worse. Everything Christianity taught us was a lie. In fact, these lies were skillfully woven to steal our Nation, and to destroy the original Indigenous owners of our ancestral lands.

Apology Bill. (U.S. Public Law 103-150 – 107 Stat. 1510) admits the invasion, overthrow, occupation, and annexation of 1893 violated diplomatic treaties, international law, Laws of Nations, and the United States Constitution. Under International law the World Court ruled the only appropriate remedy is restitution. That fact gives absolute right and power to restore independence. The U.S. Congress has no power, jurisdiction or authority to stop the restoration of the Kingdom. The United Nations Charter states: An autonomous independent sovereign nation-state contemplated under Article 1 of the Montevideo Convention on Rights and Duties of States requiring the state as a person of international law possessing the four qualifications of (a) a permanent population, (b) a defined territory, (c) government; and (d) capacity to enter into relations with the other states. The Kingdom of Hawai'i meets ALL LEGAL REQUIREMENTS - ALI'I NUI MŌ'I KING EDMUND K. SILVA. JR.

These foreigners were not conquering heroes, but men lacking in moral character and integrity. They were the worst evil that walked the earth. The Catholic Church, in writing the Papal Bulls, confirmed the hatred and ugliness of who these people were. They used God's name in vain to justify their ruthless theft and forceful tyranny.

They were cowards, espousing lies and distorting the truth about the nature of our people; when in fact, we, the Indigenous People, were sophisticated, intelligent and magical people that lived in harmony with nature and the natural world. *This is the truth.*

The Kingdom is alive and well. It lives in each of us.

The United States will not stop me as I move forward in restoring our Nation. I am not concerned about the unlawful State of Hawai'i or the Federal Government stopping me. They cannot. The energy of heart, mind and soul to restore the Kingdom is already at work. It has been at work since my birth.

I have such beautiful thoughts. My thoughts are of building a Peace Center and making Hawai'i the Peace Capital of the World. I envision a strong economy that is well structured, making us independent so that we no longer rely upon outside sources, but rather, work in harmony with them as a self-sustainable nation.

I have spoken to scientists who have advanced knowledge of cures for cancer, diabetes, heart disease, and many of the diseases that are so prevalent in our societies. I have also studied advances in technology, such as the Med-Bed and rejuvenation chambers that are designed to heal the entire human body. Also, I've studied ways to save our reefs, fishponds and farms, which are also essential for our health and wellbeing. Lastly, my studies led me to education. Education is paramount. Full immersion with an emphasis on educational balance; in other words, incorporating Western technical knowledge so that our children can excel with confidence in this changing world we call home.

All these ambitious goals cannot work without your support. I need you as much as we need each other.

May Heaven's Blessings speak to your spirit to join me. For through me, the Kingdom of Hawai'i is already restored. Go to www.kingdomofhawaii.info and see all that I have done to date.

Let my work speak to my character, integrity and courage to restore what was stolen from us. Love for our ancestors drives me to put right what was stolen, and love for all of you who have cried for the Kingdom to return, I have heard. Let all of us set aside our differences and be as one against the tide of Colonialism, rejoicing once again to live as citizens of our independent country, the Kingdom of Hawai'i.

Aloha ke Akua.
