#### Re: Support During COVID-19 Restrictions

Aloha mai ia'u i ke Aupuni o Hawai'i,

Ho'omaika'i mai ia'u mai i ka po'e a pau ma ke Aupuni o Hawai'i, aloha ... Blessings from me to everyone throughout the Kingdom of Hawai'i, aloha...

It is a sobering time with restrictions on activities and daily life now emerging as a result of the spread of the Coronavirus, COVID-19 world-wide.

We have all watched anxiously as it has come nearer to our homes and families and, now, it is here.

As your King, I feel inspired to share with you my thoughts to encourage, guide, and support you at this time.

1. **Follow the Restrictions:** It is important that we join together in following the restrictions broadcast by the news. Regardless of the source or reason, these restrictions have been created for our mutual benefit and to assist in lessening the curve of cases of COVID-19. Go beyond what is requested if that feels right to you.
2. **Kapu Aloha:** Let us be respectful, even to those we may question. Do not put effort into placing blame. Here we are and it is now that we must deal with. Put effort into safeguarding yourself and your family. I assure you that the appropriate people are researching how this occurred and are prepared to handle issues around

Apology Bill. (U.S. Public Law 103-150 – 107 Stat. 1510) admits the invasion, overthrow, occupation, and annexation of 1893 violated diplomatic treaties, international law, Laws of Nations, and the United States Constitution. Under International law the World Court ruled the only appropriate remedy is restitution. That fact gives absolute right and power to restore independence. The U.S. Congress has no power, jurisdiction or authority to stop the restoration of the Kingdom. The United Nations Charter states: An autonomous independent sovereign nation-state contemplated under Article 1 of the Montevideo Convention on Rights and Duties of States requiring the state as a person of international law possessing the four qualifications of (a) a permanent population, (b) a defined territory, (c) government; and (d) capacity to enter into relations with the other states. The Kingdom of Hawai'i meets ALL LEGAL REQUIREMENTS - ALI'I NUI MŌ'I. KING EDMUND K. SILVA. JR.

such a situation. It does not require other individual time or effort on an individual basis. Direct your energy to those you are committed to individually such as family members and close friends.

3. **Be Sober Minded:** Take the situation seriously, but do not panic. I have sent many natural, common sense options to assist you in protecting yourself. Recognize when your stress level has increased and use methods to calm yourself such as deep breathing, yoga, exercise, meditation, and especially Huna.
4. **Practice Huna:** You have grown up with this. You know that this is our ancient wisdom. The *U'hane* is the conscious mind. The *Unihipili* is the unconscious mind. The *Aumakua* is what we call the superconscious mind (Third Mind) or that which is connected to the external, our connectedness to all things. Huna, the three-fold wisdom of the ancients, is summarized in seven principles that are mastered to bring about transformation. Let's apply Huna to the current situation with the COVID-19 coronavirus.

***'IKE — The world is what you think it is***

*We know that we have the ability to transform our reality in any way which we see fit. So, create a reality of rapid healing for the world, for recovery, for impenetrable health from even catching anything. Keep that image in your mind. Imagine that people everywhere finally begin to search for a deeper meaning to life and that it transforms the world to one of peace and togetherness. You paint it. You hold it.*

***KALA — There are no limits***

*In infinite reality, anything is possible. It is limitless. Take the limits off. What would you like to see happen in the world? Would you like to see all of this evolve to an incredible ability to work together, nation to nation? Then see it. Would you like to see Indigenous ways surge forward in world attention? Then see it. Would you see COVID-19 simply ending as quickly as it has begun? Then see it. There are no limits. See it and Share it. The more that share the vision, the more power it has.*

***MAKIA — Energy flows where attention goes***

*Where do you perceive world energy is going right now? There is a lot of fear of the unknown. Will I get it? Will my family be hurt by it? How will it affect my business? How will this impact my life? What if you were to believe that this experience will draw your family closer together? Perhaps you can believe that there will be a cure found that stops any virus and rids the planet of this situation? It's up to you. Combine your energy with those of others and now we have enormous transformation.*

### **MANAWA — Now is the moment of power**

*The power of now is monumental. Existing and living in the present moment does away with the stress of thinking about what-if scenarios regarding COVID-19. You are here. You are now. That truly is all that exists. Now. This is the moment that all citizens of The Kingdom of Hawai'i join together as one. Now is the time for total unity. Unite! Be one!*

### **ALOHA — To love is to be happy**

*Remember that Aloha sees no faults. Our higher consciousness speaks to each other with Aloha. See the entire world with compassion; feeling that connectivity between all individuals. See the good, not the bad and strengthen the good by the mere act of calling it forward. This time of COVID-19 restriction is a time to really care about each other and to show it in every way. Tell your family you love them dearly, each one. Tell your friends. Use the phone and the internet to touch base with those you haven't had time to seek out. Reach out and connect.*

### **MANA — All power comes from within**

*Mana is our certain knowledge. We have all felt it, those born on the Islands. Strengthen your connection through the Third Mind and magnify your Mana Pathway between your subconscious and the Third Mind. Expand your pathway and you expand the thoughts, feelings and knowledge that comes from Akua and flows through that pathway. We follow the Mana up, and Akua follows the Mana down. It is true power. It is within our own ability to enlarge it and use it. Call it forth. Ask for knowledge in this situation we all face. Ask that the Mana be made to protect and surround your body with an energy that prevents the virus from functioning. Imagine your lungs at full strength and rejecting the virus from their surface.*

*Take time to breath in the fresh sea air which will sterilize your lungs from contamination. Salt is a purifier. We live in a special area which carries salt from the sea in our winds. So stop. Breathe. Feel the Mana. The Mana is Rising!*

### **PONO — Effectiveness is the measure of truth**

*Pono is a multi-dimensional measure and impact of truth. In Hawai'i we say that Pono includes the great value we place on integrity, the balance you feel in your spirit and way of knowing when all energy supports the act, belief or moment being considered as true, and a sense of deep contentment that all is in alignment or all is good and all is right. This is the effectiveness — the sense that everything is right.*

A good example of **Pono** is the ancient chant, the Kumulipo. It is an ancient Chant passed down since the beginning for the Iwi Kupunas (our ancient descendants). It is 2102 lines long. It is sacred to our People. It is particularly sacred to me as it is meant to be chanted as an affirmation of the Pono history of the Ali'i, the Ruling Chiefs of the Kingdom of Hawai'i as leaders, tracing their ruling role and lineage from the current day back to the beginning of creation and as related to the genealogy of the Islands themselves in continuous connectivity. These are all the historical basis of Pono resonating through the body as the Kumulipo Chant is performed, resonating through the spirit as the Pono truths are received, and resonating through the energy in the Universe up to Akua in recognition of all that is Pono — the great balance of truth in life. This is a wonderful time to study the Kumulipo in detail.

5. **Find Connection with Akua:** In your personal meditation or prayers, reach higher than you have ever gone before. Push your boundaries. Connect more strongly. Seek and find. Hardship always draws people to their Creator. This is of great value. Reach out with all your might and you will increase your Mana and Aloha. Imagine the power of having everyone in the Islands and in our family in all places unite in thought and prayer! What tremendous power! Call a powerful future toward us. It is our destiny.

*So, now it is your turn to keep yourself safe in mind, body, and spirit. Pray for our Country and for our People as I pray for you. Above all, stay calm and keep peace within yourself.*

***Mahalo iā 'oe, e ka Makua Makua, no kāu aloha iā mākou a pau.***
