Apology Bill. (U.S. Public Law 103-150 – 107 Stat. 1510) admits the invasion, Overthrow, occupation, and annexation of 1893 violated diplomatic treaties, international Law, Laws of Nations, and the United States Constitution. Under International Law, the World Court ruled the only appropriate remedy is restitution. That fact gives absolute right and power to restore independence. The U.S. Congress has no power, jurisdiction, or authority to stop the restoration of the Kingdom. The United Nations Charter states An autonomous, independent sovereign nation-state contemplated under Article 1 of the Montevideo Convention on Rights and Duties of States requires the state as a person of international Law possessing the four qualifications of (a) a permanent population, (b) a defined territory, (c) government; and (d) capacity to enter into relations with the other states.

THE KINGDOM OF HAWAII MEETS ALL LEGAL REQUIREMENTS – ALI'I NUI MŌ'I, KING EDMUND K. PAKI-SILVA JR.

ROYAL PROCLAMATION

"For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of man who suppresses the truth in unrighteousness." Romans 1:18

Summary - The origin of Evil -- Unwrapping what is known to be the origin of evil that devastated the African Continent, the Polynesian Islands, the Kingdom of Hawai'i, Canada, the Western Hemisphere, Asia, Australia, New Zealand, and the Americas, detailed in this 'Academic Legal Treaties' are facts in evidence. That destructive force from the Vatican was the Papal Bull or Degree called the Doctrine of Discovery. It provided the foundation for subsequent laws depriving indigenous peoples of their lands by outlining land titles traced to Spain, France, Portugal, Netherlands, England, Sweden, Courland, Norway, the Danes, Russia, Germany, and Scotland, after that, to the United States Government which contravened indigenous rights in America.

Popes – Declare they are King of the World -- The Roman Empire's evil kingdom collapsed on September 4, 476 AD. Germanic leader Odoacer organized a revolt and deposed Emperor Romulus Augustulus. After that, no Roman Emperor ever ruled in Italy. Before the fall of Rome, Pauline Christianity became a valid religion in 313 AD. Then in 380 AD. Roman Catholicism became the official religion of the Roman Empire. Moving forward, Emperors would never rule in Rome. Instead of the title Emperor, Pope became the official title for King. Therein lies the deception. On November 18, 1303, His Holiness Pope Boniface VIII created 'Unam Sanctum – One Holy' Decree in affirming the authority of the Pope as heir of Peter and Vicar of Christ, and declared himself and future Popes King of the world – all-powerful and Majestic. The title Pope replaced King and Emperor.

"Furthermore, we declare, we proclaim, we define that it is necessary for salvation that every human creature be subjected to the Roman Pontiff." --

His Holiness Pope Boniface VIII – November 18, 1303

Evil and chaos are the product of the Papal Bull Doctrine of Discovery -- In 1455 AD – Romanus Pontifex Pope Nicholas V sent to King Alfonso V of Portugal the Papal Bull 'decree,' giving him authority to dehumanize, exploit, invade, search out, capture, defeat, and subjugate indigenous people, depriving them of ALL human rights, adjudging all Saracens, and pagans, enemies of Christ. This order reduced non-Christians to perpetual slavery as sub-humans, a mistake of creation to be caged, dismembered, displaced, or killed.

And in 1513 AD – King Ferdinand the Catholic established a New World Order and said – **"inhabitants who were not Christians – will acknowledge the Roman Catholic Church ruler and master of the whole world.** I certify to you that with the help of God, we shall powerfully enter your country and make war against you in all ways and manners that can and shall subject you to the yoke and obedience of the Church and their highnesses; we shall take you, and your wife, and your children, and shall make slaves of them, and as such shall sell and dispose of them as their highnesses may command. We shall take away your goods and do you all the mischief and damage we can, as to vassals who do not obey, refuse to receive their lord, and resist and contradict him. We further state that the deaths and losses which shall accrue from this are your faults, and not that of their highnesses, or ours, nor of these cavaliers who come with us - This is the Will of God."

E ho'omaika'i i kou hemolele ali'i Pope Francis,

In our respective positions, we are each called upon to do our duty with the highest honor so blessed upon us by Almighty God. That sacred duty demands us to put right the substantial wrongs of our past predecessors so we don't repeat the evil they left behind.

Our chosen path is narrowly laced with many challenges that can defeat us if we let down our guard. Being on this narrow path will cause emotional, physical, and spiritual discomfort because we 'Genuinely' care for the spiritual salvation of humankind. To say the world is unstable would be the truth. Chaos, restlessness, the threat of nuclear deployment, unstable governments, and great evil have found their foothold and are attacking that weak spot to destroy the sanctity and spiritual beliefs that bind us to our Lord Jesus Christ and each other.

In my opening summary, I spoke about the great evil perpetrated without cause upon innocents whose only crime was being born on the islands or continents far from the Vatican and Europe. And uneducated in European ideology, way of life, and Christianity. It's not a sin. But your predecessors made it into sin and attacked them. These oppressed people bravely fought to maintain their heritage and protect their sacred lands. Still, the overwhelming forces of greed, lust, and tyranny possessed the minds of the oppressors and what made matters worse to justify their hostility was everything they did came with the blessings of God. Did they believe God would sanction this, suggesting that the Ten Commandments he wrote never were, that it was simply an illusion created in the minds of men?

A once peaceful people allowed anger, hatred, distrust, and revenge to cripple their hearts, dreams, and aspirations that change their way of life forever. These humble people are my family. They are the original peoples of the lands stolen. They were good stewards of all God – Akua gave them and lived in harmony with nature, the natural world, and each other. Those days are gone. But the anger and hatred live. Knowing this truth, I want to reach out and say I forgive your predecessors, your complicity, and the Roman Catholic Church for their crimes against me, my ancestors, and my nation – the Kingdom of Hawai'i. I am breaking the bonds of anger and disparity to be at peace, a peace that only God can give me. I forgive you.

I have learned a straightforward truth throughout the years: our life here on earth is but a moment. In a blink of an eye, it can end. My mission is to bring peace, healing, reconciliation, and forgiveness and to unite the human family, the natural world, and nature so that we can cure the evil that has had its way since the beginning of creation. I desire this to be your mission call as well.

Argumentatively, various sections within my writings will be contentious and most likely rejected – unfortunately, the truth is alive, authentic, and revealing. But there it is, the 'Truth.'

In the Biblical Armageddon sense, we are in calamitous times demanding we take a closer look at whether we were men of God, men of honor, peace, and just. And did we do our Duty with uncompromising integrity? Or are we instruments of chaos, hiding behind a bodyguard of lies to protect the evils that have overtaken our most holy sanctuaries, and it's not our temples, mosque, synagogues, churches, or homes? It's our spirit, heart, mind, and body under attack. So, how can I, in good conscience, address Peace, healing, and Reconciliation without first unpacking the criminality, malfeasances, lies, deception, and hypocrisy of organized religions, especially the Roman Catholic Church, which defended its position of despotism in the name of God?

The 'Papal Bull – Doctrine of Discovery is that acceptable lie. At first, it was created to discover new worlds and bring the light of Christ to its inhabitants, and it did not. The lust of men looking upon beautiful exotic women, fertile soil, and an abundance of beauty everywhere caused them to use the Doctrine of Discovery to justify their apocalyptic inhumane acts of widespread repression.

This sleight of hand set in motion European Royals from England, France, Portugal, and Spain to commit heinous crimes against humanity. Horrifying savagery committed by these mariners had no boundaries. Lust, greed, and tyranny served their purpose, leading to dictatorship under the pretext that it was the 'Will of God.' – it's a lie. And that lie, deception, and hypocrisy have been protected for far too long.

A heroic figure whose name you took - Saint Francis of Assisi was uncompromising – He never bowed or kneeled to evil. He dealt with corruption by facing it with 'Love. 'In a sermon in 1639, he said, "Greed causes suffering for both victims and perpetrators." Throughout his life, he lived true equality by showing honor, respect, and Love to every person, whether they were a beggar or pope. Filled with inner Love, he saw only one path – a path that was narrow and difficult; a path few would take; and a way that would lead to eternal glory. On his pilgrimages, he would open prayer with –

"Lord, make me an instrument of your peace: where there is hatred, let me sow love; Where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy. O divine Master, grant that I may not seek to be consoled as to console, to be understood, as to understand, and to be loved, as to love. For it is in giving that we receive, in pardoning that we are pardoned, and in dying that we are born to eternal life. Amen."

As much as St. Francis of Assisi and many great historical men fought to bring change to a sick, corrupt, and damaged world, the world is still suffering. Not metaphorically, but worse... 'Spiritually.' Unabated evil is moving throughout every nation. Why? In Genesis 2-17, we find the first recorded lie – God said to Adam that his continued life depended on obedience, and gave Adam a simple law to keep and told him that if he failed to keep that Law, he would positively die. The serpent replied - You would not surely die. God knows that when you eat of it, your eyes will open, and you will be like God, knowing good from evil. Later, in Genesis 4: 1- 16, we find the first recorded murder – involving Cain and Able.

A respected truth seeker, John Stuart Mill (1806-1873) was an influential English language philosopher of his century. He delivered an 1867 inaugural address at the University of St. Andrews.

"Let not any person pacify his conscience by deluding that he cannot harm if he takes no part and forms no opinion. Bad men need nothing more to compass their ends than those good men should look on and do nothing. He is not a good man who, without a protest, allows wrong to be committed in his name, and with the means, he helps to supply because he will not trouble himself to use his mind on the subject."

"I much rather hear an uncomfortable truth than a comfortable lie." Your predecessors committed evil against humanity in the holy name of God the Father, the Son, and the Holy Spirit. More precisely, against Africans, the Western Hemisphere of North and South America, Native Americans, the South Pacific Islands, the Kingdom of Hawai'i, and all indigenous nations with impunity.

In 1455, Pope Nicholas V, a Romanus Pontifex, created the Doctrine of Discovery. Then, in 1493, Pope Alexander VI upheld that which Nicholas declared holy and continued the policy to eradicate all Indigenous people who were not Christians on the earth. I don't know this God. Undoubtedly, he is that evil serpent who corrupted Adam and put jealousy in Cain's heart to murder Able. This God is unquestionably a liar, mischievous, murderer, thief, child molester, rapist, and mastermind who knows how to exploit man's weaknesses against himself.

The God I worship is omnipotent, omniscient, omnipresent, and omnibenevolent. He is one God in three persons, separate individuals in God the Father, Son (Jesus Christ), and Holy Spirit. All three are separate, distinct, and possess specific roles while simultaneously one God. This is the one true God I worship.

The Papal Bull Doctrine of Discovery - Labeled All Indigenous People sub-humans, freaks of nature to be exterminated. Pope Nicholas V granted the Portuguese absolute control over Africans because they resembled apes and did not look human. The Portuguese were the first to buy enslaved Africans from West Africa and transport them across the Atlantic Ocean.

In 1493, Pope Alexander VI issued the Inter Caetera using the Doctrine of Discovery to justify the alleged European Discovery of new lands and waterways with the absolute right to do as they pleased against the ancestral People and their lands. Between 1492 and 1600 - 90% of the Indigenous populations in the Americas were either murdered or died from pathogens brought onto their traditional soil by evil-doers who belonged to the Roman Catholic Church.

By my calculation, more than 80 million people died from violence and never-before-experienced pathogens, like smallpox, measles, influenza, syphilis, genital shingles, genital warts, Hepatitis B, and gonorrhea that decimated the First Nations People nearly to extinction. The colonizers and armed U.S. military used sophisticated weaponry against natives, who were no match with bows and arrows, slings, rocks, sticks, and make-shift knives.

The Doctrine of Discovery fueled white supremacy, as white European settlers claimed they were instruments of God, serving the will of God so proclaimed by the Vatican. Evil spread throughout like a plague — murdering millions. Men, women, and children were raped and forced into slavery. Such evil had no rival, and it is pervasive, even today.

David Wilkens, a well-known Apache scholar, said:

"In reality, the absolute denial of the Native Land Rights was replaced less than fifty years later when Charles V sought the advice of Francisco de Vitoria as to what the Spanish could legally and morally claim in the New World. In a clear rebuttal to the Pope and the discovery notion, Vitoria declared that Native Peoples were the true owners of their lands".

In 1823, the Doctrine of Discovery inspired the writing of the Monroe Doctrine. This inspiration declared U.S. hegemony over the Western Hemisphere and Manifest Destiny. President James Monroe proclaimed the U.S. protector of the Western Hemisphere by forbidding European powers from colonizing additional territories in the Americas. In return, Monroe committed not to interfere in the affairs, conflicts, and extant colonial enterprises of European States.

Two wrongs do not make it right. By compromising with the Devil to justify American expansion westward, a net of lies spread the belief that the U.S. manifest destiny is to control all ancestral lands from the Atlantic to the Pacific with complete impunity. Native American Indians and all Indigenous people caught in their web of deception were left with only one alternative – to fight for their ancestral lands, culture, and tradition. These brave and noble people did not fear death because they believed in their spiritual cause that justice would prevail.

Who am I that is speaking? Your predecessors would label me a sub-human, a mistake that your God created. So, who am I? I am an original Indigenous man of the Hawaiian Archipelago and King, ordained and sustained by the hand of God. I am the voice of Akua, High Priest, and Prophet. My sacred genealogy extends back to Kings and Queens blessed by Akua from time immemorial; it is Akua who speaks through me.

My sacred Ni'au pi'o bloodline and name is —Nalikolauokalani Paki Ka'i 'Ōmaka-olahou-Kaluaokalani-Ka' Ī-mano-`ānu`unu`u-ka-lamakea-i-ho`okū-ke-aupuni-o-Hawai'i. It is from this scared high place that I talk with you.

In 1893, the United States of America stole The Kingdom of Hawai'i for its fertile soil and natural resources, particularly Pearl Harbor Bay, for U.S. Naval Operations. The deception continues in U.S. Public Law 103-150; the Apology Resolution, passed by the U.S. Congress on November 23, 1993, apologizes to Native Hawaiians for the illegal Overthrow of their Lawful government, the Kingdom of Hawai'i, by adding a disclaimer... "Nothing in this Joint resolution is intended to serve as a settlement for any claims against the United States of America." *Their term non-binding highlights the hypocrisy and deception therein.*

Fighting for justice is not easy -- Patriots of Hawaiian Ancestry that stood up against the injustices faced false imprisonment, discrimination, persecution, and prosecution for speaking the truth against the evils imposed by the colonizers. Knowing this truth, HRM Queen Lili'uokalani yielded her throne to avoid losing a life.

On January 17th, 1893, HRM Queen Lili'uokalani, by explicit grant, 'Yielded' her executive powers to the President of the U.S. to investigate its diplomat and military troops that landed on 'Sovereign Soil' in the act of War to steal a nation, did so, in direct violation of well-established 'Treaties.' Treaties are absolute and the law of the land. And a breach of Laws that were never properly adjudicated. "Now, to avoid any collision of armed forces, and perhaps the loss of life, I did this under protest and impelled by said force to yield my authority until the Government of the United States shall, upon facts being presented to it, undo the actions of its representatives and reinstate me in the authority which I claim as the Constitutional Sovereign of the Hawaiian Islands." – Queen Lili'uokalani.

So, where did the root of evil come from, and how did it come to be? It started with the Roman Empire in 27 B.C., where violence played a significant role in its Nation's building. Images of war and violence were pervasive throughout the Roman empire. The Romans' evil history documents the brutal acts of rape, fratricide, war, and slavery against humanity.

These acts of violence continued with the founding of the Roman Catholic Church in perpetuity since 313 AD. Adopting the evils of the Roman Empire also comes with its historical crimes and sins of those lives taken.

The Doctrine of Discovery became part of U.S. federal law and was used to disinherit Native American Indians from their lands. In a unanimous decision, Chief Justice John Marshall wrote "that the principle of discovery gave European nations an absolute right to New World lands" and Native Peoples certain occupancy rights. Chief Justice John Marshall's dissenting opinion followed the 'Stare decisis' principle, a doctrine U.S. Courts follow as legal precedent in making their decisions. Stare decisis means "to stand by cases decided" regardless if it's wrong. Therefore, he illegally sided with the 'Evils' of the Vatican and European Royals, who indefensibly destroyed 'Laws protecting the innocent from domination. And in 2005, liberal Supreme Court Justice Ruth Bader Ginsburg, in her opinion, cited an 1823 decision that stopped the Oneida people from regaining lands now in modern-day New York. Before the Doctrine of Discovery, those lands belonged to the Oneida people. She, too, was wrong in her dissenting opinion.

As Indigenous people, we must go back to a spiritual compass rather than a religious conscience for humanity to survive. Therein lies the dichotomy. If one religion disagrees with another religious belief system, war breaks out. A spiritual being is not going to harm another living soul. Why? Because a spiritual 'being' has a deep relationship with Heavenly Father, a pure 'Spirit' is light energy that is more precious to 'God.

Relying upon Federal Courts and Law Enforcement agencies worldwide, such as the International Criminal Court (ICC), the International Court of Justice (ICJ), and the United Nations, to do the right thing is no longer an option. Why? Because they hide behind a Bodyguard of lies. There is no use for those who will not uphold the rules of law in bringing 'Criminals' to justice.

A Grieving God Destroys Man

In the book of Genesis - The Lord was grieved that He made man on the Earth, and his heart was filled with pain. So, the Lord said, "I will wipe mankind, whom I have created from the face of the earth men and animals, and creatures that move along the ground, and birds of the air for I grieved that I have made them." *Noa and his family and various animals were saved from the flood.* After flooding the Earth, God said, never again will all life be cut off by the waters of a flood. I have set my rainbow in the clouds, which will signify a covenant between the Earth and me. God was specific; he would not destroy the Earth and all life upon it with water. However, he made no mention of 'Fire' – **Nuclear destruction.**

Creation of Hālau Aomaluhiamauloa, and HKIISC – Hawaiian Kingdom Indigenous International Supreme Court

The Kingdom of Hawai'i is creating two significant 'Holy' sanctuaries - 1. Hālau Aomaluhiamauloa, a House of Enlightenment and Peace for the People of the World, and 2. The Hawaiian Kingdom Indigenous International Supreme Court. There will be No Borders. All supporting nations will enter into a Treaty of Reciprocity with the Kingdom of Hawai'i. We will address all crimes against humanity, nature, and the natural world, especially against Indian Country and all indigenous nations. The Court's remedy is to return and restore all rights and stewardship of ancestral lands - from the plains, mountains, and seas to its original people affected by the Doctrine of Discovery. All cases before this court shall have Unlimited Enforcement Powers supported by the Kingdom of Hawai'i and all Treaty nations.

Vicar of Chris? What does this mean? It means that the Pope stands in place of Jesus Christ and possesses His absolute authority, and that authority is unchallengeable. Evil orchestrated by the Roman Catholic Church does not represent Jesus Christ.

My Lord and Savior is not the evil serpent that corrupted the 'Garden of Eden,' nor would he use violence or trickery against humanity to steal their lands or enslave its people. 'He is absolute Goodness and the son of the living God. The 10 Commandments are believed to be the Law of God and are used by Christians worldwide as fundamental Law. *There is no more excellent law than the word of God.*

Remedy

The Vatican must apologize, and OVERTURN the Doctrine of Discovery and seek forgiveness from All Native American Indians, Africans, the Kingdom of Hawai'i, the Western Hemisphere, Canada, and all Polynesian Islands, and indigenous nations around the world for its crimes against Humanity.

*"We swallow greedily any lie that flatters us, but we sip only little by little at a truth we find bitter" -
Denis Diderot.*

Therefore, I am directing you to be the light, let that light pierce the center of evil, and bring life back to all the Indigenous Nations worldwide. Bring peace, healing, and reconciliation back to the First Nations' Original Peoples of America, Canada, the Polynesian Islands – the Kingdom of Hawai'i, the Western Hemisphere, and the African Continent.

Stop the Suffering,
stop the immorality,
stop the bleeding,
stop the pain,
stop the anger,
stop the lies,
stop the deception,
stop the fraud,
stop the madness,
and stop the evil.

Break the 'Stranglehold' of Satan, destroy the darkness hidden by The Roman Catholic Church, and bring forth the light of Heavenly Father. Heal the broken-hearted so that Peace, healing, forgiveness, and reconciliation can begin. The lies must come down so Peace, truth, and Love can save humanity, the human family, our planet, nature, and the natural world. *It starts with telling the world the truth about the great evil that came out of the Roman Catholic Church.*

Humanity is facing unparalleled apocalyptic times – in the Hopi Prophecy, destructive practices and wars destroyed humanity. To save humanity, we must change our disastrous course and do good.

Without truth, there is no trust.' But the worst sinners are those who keep silent when they see injustice. Time for us is not our friend. For tomorrow is not promised to you, me, or anyone of us. When my time ends on earth, and I am before the Great Spirit, I will be accountable for my life, as you will be responsible for yours. Throughout this proclamation, I spoke to Empirical truth and not convenient truth knowing; the words herein are contentious but based on facts already in evidence.

Closing Argument

God is not to be mocked or disrespected. There are consequences to be paid for using God's name in vain to do evil. God is the God of order, mercy, and justice, not the author of confusion, hate, lies, pain, suffering, and fear. Jesus Christ said: in John 13-34, "A new commandment I give unto you, that ye love one another; as I have loved you, that ye also love one another." This new commandment given to us by Christ reinforces the attitude that we must love one another. Yet, it too has been broken.

The original Ten Commandments, like the commandment given to us by Christ, is Celestial Law because it's from God. An absolute law. The Roman Catholic Church violated - Articles 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10, especially Article 3 – by speaking God's holy name in vain, which led to despotism.

Articles of Celestial Law imposed by God

- 1. You shall have no other God's before me.*
- 2. Thou shalt not make unto thee any graven images.*
- 3. Thou shalt not take the name of the Lord thy God in vain.*
- 4. Remember the Sabbath day and keep it Holy.*
- 5. Honor your father and mother.*
- 6. Thou shalt not kill.*
- 7. Thou shalt not commit adultery.*
- 8. Thou shalt not steal.*
- 9. Thou shalt not bear false witness.*
- 10. You shall not covet.*

Unfortunately, humanity has evil tendencies boarding schizophrenia and relishes demoralizing, threatening, and belittling those weaker than themselves. This misanthropic behavior is unacceptable. The practice of demoralizing and enslaving people is never acceptable. Threatening or criticizing another person weakens your reason to be a good human being. A good human does not rape, molest, beat, or covet someone else's property, wife or family. This is not a Vicar of Christ.

Therefore, I Edmund Keli'i Paki-Silva II - hereditary King of the Kingdom of Hawai'i – Nou Ke Akua Ke Aupuni O Hawai'i, order the Roman Catholic Church's Chief Magistrate, His Holiness Pope Francis - Jorge Mario Bergoglio - Bishop of Rome, Vicar of Jesus Christ, Successor of the Prince of the Apostles, Supreme Pontiff of the Universal Church, Primate of Italy, Archbishop and Metropolitan of the Roman Province, Sovereign of the State of Vatican City, Servant of the Servants to do what is required of his High Office and End the suffrages of All Native American Indians on Turtle Island, Africa, the Western Hemisphere, Latin America, the Kingdom of Hawai'i, New Zealand, Panama City, Panama, and all countries that were vastly impacted by the issuing of the Papal Bull – Doctrine of Discovery.

I am directing you to write a New Papal Bull, apologizing for the destructiveness of your High Office. This mandate extends to all current European Royals directing them to apologize for the crimes of their predecessors. Not doing this makes you complicit. And, the sins of your church will continue until a full apology is given with a good heart.

“Every test in our life makes us bitter or better; every problem comes to break us or make us. The choice is ours whether we become Victims or Victor.”

Apologize and rescind the Doctrine of Discovery and heal the broken-hearted.

Romans 12:21 Do not be overcome by evil, but overcome evil with good. Pope Francis, as Vicar of Christ, Do your Duty. Rescind, denounce, and destroy the Doctrine of Discovery. Be a man of courage, wisdom, and justice, and do what Jesus Christ would do – End the Suffering.

Royal Proclamation, issued on May 28, 2022

Remembering My 'Pearl'

***“When you were born, you cried, and the world rejoiced.
Live your life so that when you transition, the world cries, and you rejoice.”***

A Royal Tribute in Honor of my Beloved 'Pearl M. Means 1960-2022. 'Pearl walked beside me, never doubting why we were joined together by the Great Spirit. We both embarked on a common cause to right the substantial wrongs brought upon us by evil. She fought valiantly to stay alive until her last breath, but cancer overwhelmed her. Looking at me, she said, Love, I believe in you, and I love you. She and I learned not to trust in the laws created by man because man is corrupt. But, to trust in the Original Law – Celestial law – The law of the Great Spirit 'God to bring justice, peace, healing, and reconciliation back to Indian Country – Turtle Island, the Kingdom of Hawai'i, and all Indigenous Nations who suffered despotism - evil at the hands of the Roman Catholic Church, and the United States of America.
