#### **Onipa'a**

Aloha Ka Lahui of the Kingdom of Hawai'i;

Evil will come and visit you in your hour of grief and despair. It may already have. Immorality is not afraid of being exposed because evil businessmen and politicians are protected by their 'Rules of Law.' Laws that benefit them, not you. They have rewritten their own Constitution and devalued the original creators of the Constitution to serve them and their evil schemes, making it look clean when it is not. They come in the guise of investors offering you pennies for your land. They come in the way of government authorities telling you the ground is unhealthy and you need to give up your land and move to a safer land to benefit your health and comfort. Or, as family members and friends, to manipulate you to sell and move on.

Many decisions will be made regarding your safety and well-being without your knowledge. These decisions may be well-intended, but it is undoubtedly intrusive. It simply is and will happen. That decision is yours. You decide if you trust the Federal Government of the United States and Governor Josh Green to alleviate your burdens and protect you from grief and suffering. You are the ones that will have to live with your choices. Either way, I will support your decision because you have an inalienable right as a sovereign to determine your fate.

I am your King –your Ali'i Nui Mo'i, and it is my Duty to protect you, your 'Ohana, your private Lands, our traditions, culture, and sacred lands from further desecration, tyranny, despotism, and evil. You can trust that what I say is true. Acquiesce to evil, or let me lead you as your King, ordained by Almighty God. The choice is Yours. Onipa'a - and know I am iwi Kanaka, your Mo'i.
