Our beloved Heavenly Father is the God of miracles, healing, forgiveness, compassion, and love. We come before him, humbled in his holy presence with praise and thanksgiving for all the challenges laid before us so we can grow to appreciate that these challenges inspire us to be the best of who we are. Father, bless the Kingdom of Hawai‘i, that it will be a light unto the world. Bless each of us that together, our Kingdom nation will be a blessing of peace, your peace that protects and guides us in everything we do and speak. In Jesus Christ, we pray – Amen.

Nou ke Akua Ke Aupuni O Hawai‘i

I ka Lahui o Hawai'i.

Maui Island is my birthplace. This is where the Royal Family came from those many years ago. My royal genealogy is undisputed and sacred. Linking me to the Ni`au pi`o, or sanctified royal lines. I come from a long line of High Chiefs dating back to 316 A.D. and possibly to the beginning of time.

Our Nation, the Kingdom of Hawai'i, is your rightful government. It is my duty and responsibility to care for our people; this is precisely what I have done. I have mustered your government, pledging its full support to fight the challenges together as we rebuild and remember those who have passed to be with our ancestors. The Kingdom was lawfully restored in 2002, and since that time, your government has been organizing itself not by making speeches but by showing our capabilities through action in a lawful, respectful way, honoring who we are as stewards and inheritors of these lands we call Hawai'i – our home.

Pending this catastrophic resolution, I will continue sending support until everyone is made whole. Provision will include sending quality food, water, and other essentials as needed. I will arrange for Ho'oponopono practitioners to help those suffering from this horrific ordeal and Licensed Medical Doctors to examine anyone suffering from respiratory issues or any other health issues due to the fire at no cost to you.

My next step is securing unspoiled lands so I can bring you beautiful temporary module homes to live in while we are rebuilding your homes lost in the fire. It is also my honor and duty to stand with you in these trying times as we reconstruct your community.

Lastly, I am assigning you to your duties – Stand up against the occupying force, believe that your Kingdom is restored through me, and know that you are loved, blessed, and safe. It is my Duty and Honor to take care of my people, and with the grace of God, all things will be made right.

Things I have heard but don't have evidence of the complaint. I need proof so I can hold everyone who disrespected you accountable. Since the fire, I am told FEMA and the National Guards have mistreated you. I am also told the County of Maui the Mayor, politicians, billionaires, land developers, and police have also disrespected you. There is nothing I can do without evidence. You must record conversations (It's not illegal), take pictures, and get the names of those abusing their authority. Once I have it, I will hold them accountable for their unlawful acts against you and the community.

In closing... My cousin, Her Royal Majesty Queen Lili'uokalani, said... Love of country is deep-seated in the breast of every Hawaiian, whatever his station. Therefore, I owe no allegiance to any power save my people's will and my country's welfare.

So, what is my Mission Statement? To do my Duty as your lawful King.

Mahalo iā 'oe, e ka Makua Makua, no kāu aloha iā mākou a pau.
